SUBJECT: **AGENDA ITEM 12**
(DECEMBER 16, 2008)

At the request of your Board, I am reporting on the Property Tax Collections as of the first installment delinquent date, December 10, 2008. As of December 10th, my office has collected a total of \$5.963 billion of first and second installment property tax payments. The total tax liability due for the 2008 fiscal year is \$13.1 billion.

Comparing the 2008 fiscal year to the previous 2007 fiscal year for the collection period of October 1st through December 10th, the moneys collected are up \$313.0 million or 5.5% over the prior year. The methods of payment received by my office are detailed on the attached document for your review.

Subsequent to December 10th, my office continues to process all payments, e.g., U.S. mail, that are timely as well as those deemed delinquent, received/postmarked after December 10th. We anticipate that the first installment mail payment processing will be completed not later than Friday, December 19, 2008.

We will continue to work with the Chief Executive Office to monitor our property tax payment collection progress.
